

Anjuman-i-Islam's

Akbar Peerbhoy College of Commerce and Economics

(NAAC Accredited College)

MS Ali Road, Two Tank Grant(E), Mumbai - 08

ALUMNI-

Alumni always play a great role to do mentoring as well as to provide support system to regular students through their network & experience & resources. College alumni committee conducts meeting to maintain contact and sharing of information of college development and progress with alumni as well as collects their feedback for improvement in important parameters. Most of feedback highlights the need of more skill based courses & experiential learning to make student ready for real life situations & job market. As being aided college, we receive curriculum from university of Mumbai but along with it, following actions were taken at departmental & faculty level-

1. Launching of program titled Meenre-E-Noor to conduct series of career counselling programs through alumni
2. Certificate courses to improve IT skills & employability skills like web development, digital marketing, Effective Communication, Stock market etc.
3. More visits were conducted like BSE visit, Industrial visit, Old age home visit etc. to give practical functioning of various institutions
4. Number of MOU's were signed with professional firms for conducting various add on courses.
5. Lots of activities conducted within campus to increase participation of students and develop their confidence

Prof. (Dr.) Shaukat Ali
